29 September 2026 at 12:16

Dear Sir/ Madame,

We would like to inform you that after the eligibility check and evaluation process of your application for your company's participation in the "Slush 2026" Event, your application **has been approved**. The total number of entry tickets your company will receive is **1**.

It must be noted that companies selected by
RIF

**must subsequently be approved by the organizers
of the Slush Event** and must

mandatorily create a Partnership Profile in the Enterprise Europe Network business profile database before the ticket is issued by the

RIF. The tickets will be granted upon the company's approval, while the lump sum payment will be made upon confirmation of the company's participation in the event.

At the following link

<https://platform.slush.org/slush26/auth/signup>

you will create your organization's profile. Initially, you will be asked to create a profile and later to complete the necessary details required for the evaluation of your organization by Slush. Then, under the Create Company command (left column) in the Startup option, fill in the details requested and applicable to your organization and finally press the Submit button. Once your organization is approved, you will receive a confirmation message.

Therefore, please send the confirmation message from the organizers of the Slush Event for the approval of your company for participation and the creation of the EEN Partnership Profile **no later than October 5, 2026**, so that the ticket issuance by the RIF can be completed.

It is reminded that the RIF will cover the entry ticket worth 395 euros (including VAT) and will provide a subsidy of 300 euros per person for participation expenses. The total cost will not exceed 695 euros per person and will be granted as indirect state aid, according to EU Regulation No. 2023/2831 of the Commission dated December 13, 2023, concerning the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid.

At your disposal for any clarifications.

Με εκτίμηση,

Stavros Kambanellas
